Summary

As a Branch Manager, you will be responsible for overseeing the operations, sales, and customer service activities of our [specific location] branch. You will play a pivotal role in driving business growth, ensuring operational excellence, and maintaining high standards of customer satisfaction.

Responsibilities

- Strategic Leadership: Develop and execute strategic plans to achieve branch targets and objectives. Lead and inspire a team of sales, service, and administrative staff to deliver exceptional results and meet key performance indicators.
- Sales and Business Development: Drive sales growth by implementing effective sales strategies, identifying new business
 opportunities, and expanding market presence. Develop and nurture relationships with corporate clients, dealerships, and
 other key stakeholders to enhance business partnerships and revenue streams.
- Operational Management: Oversee all aspects of branch operations, including inventory management, logistics, facilities
 maintenance, and compliance with company policies and procedures. Implement efficient processes and controls to optimize
 productivity, minimize costs, and ensure regulatory compliance.
- Customer Service Excellence: Champion a customer-centric culture within the branch and ensure the delivery of superior customer service at all touchpoints. Resolve customer inquiries, complaints, and issues promptly and effectively, maintaining a positive and professional image of the company.
- Team Development: Recruit, train, and develop a high-performing team capable of delivering exceptional results and providing
 excellent customer experiences. Provide coaching, guidance, and performance feedback to team members to foster a culture
 of continuous improvement and achievement.
- Financial Management: Develop and manage branch budgets, forecasts, and financial reports to monitor performance and control expenses. Identify opportunities for revenue growth and cost savings to maximize profitability and achieve financial targets.
- Compliance and Risk Management: Ensure compliance with all relevant regulations, standards, and legal requirements governing automotive sales and service operations. Implement effective risk management practices to mitigate operational, financial, and reputational risks.
