Summary

We are seeking a Legal Manager who will play a crucial role in our legal team, overseeing the review and drafting of commercial contracts, including but not limited to SLAs with banks, switches, micro-finance banks, OFIs, etc. The ideal candidate should have extensive experience in the banking or fintech industry, particularly in reviewing and drafting commercial contracts.

Responsibilities

- Oversee the review and drafting of commercial contracts, including but not limited to Service Level Agreements (SLAs).
- Lead the review and drafting of SLAs with banks, switches, micro-finance banks, OFIs, and related institutions.
- Provide legal support within the banking and fintech environment, with a strong focus on commercial contracting.
- Ensure compliance with commercial, corporate, and financial laws in all contractual arrangements.
- Support and uphold corporate governance practices within the organization.
- Conduct legal risk assessment and management through detailed contract review.
- Handle multiple legal matters independently in a fast-paced environment.
- Apply strong negotiation and communication skills in contractual discussions.
- Perform legal research and prepare legal documentation using standard office tools.

Education & Qualifications

- Bachelor's degree in Law.
- A Master's degree in Business & Commercial Law and other relevant certifications will be advantageous.

Requirements

- At least ten (7) years of experience, with at least three (3) years in a legal managerial role in the banking and fin-tech industry, particularly in reviewing and drafting commercial contracts.
- Core experience in reviewing and drafting SLAs with banks, switches, micro-finance banks, OFIs, etc.
- Strong understanding of commercial, corporate, and financial laws.
- Core experience in corporate governance practices.
- Sound knowledge of commercial, corporate, and financial laws.
- Excellence in negotiation and communication skills, both verbal and written.

- Ability to work independently and handle multiple tasks simultaneously in a fast-paced environment.
- Detail-oriented with a strategic approach to risk assessment and management.
- Proficiency in legal research and Microsoft Office Suite.
